

Time to *RENEW* your membership in the Chattahoochee Valley Historical Society for 2021!

We deeply appreciate your generous and loyal support. **Together**, we will continue the legacy of historic preservation in the Greater Chattahoochee Valley Area and Chambers County. As landmarks begin to fade and population shifts our mission becomes more important than ever! CVHS Board of Directors has a big heart for preserving, protecting and promoting our collective regional history. However, the most important factor in our success has always been your steadfast and loyal support. Thank you for being part of CVHS in the past, the present, and the future!

Please renew today. Continue to enjoy *THE VOICE*, our website and FACEBOOK page. Your support allows us to send complimentary copies of *THE VOICE* to over 30 public and academic libraries in Alabama and Georgia and local governmental offices.
