

RENEW your membership in the **Chattahoochee Valley Historical Society for 2026!** *(Dues for 2026 are due now)*

Dear Friends: Thank you for your continued interest in the Chattahoochee Valley Historical Society. We truly have a unique opportunity to preserve the memory of our area! From Native American and pioneer history to the days of the Civil War, a textile heritage and much more, we have such a rich heritage.

History is the story of individuals. Some played big roles. Others faded to the background, but each person is significant in the drama. Similarly, each of us plays a part in preserving that history. We would like to encourage your continued support as a member of the Chattahoochee Valley Historical Society in 2026. There are many more stories to tell!

Membership Benefits for joining/renewing CVHS include receiving *The VOICE* our award-winning quarterly Newsletter and opportunities to participate in meetings. Your Membership makes a difference!

Our mission is to preserve, protect and promote our local and regional history. CVHS needs your support. There are significant stories yet to be told and experiences yet to be interpreted to help us understand our lives and the contributions of our families to the history of the southern region and to the history of the nation.
